CRUSADE FOR FREEDOM

Jerry Mlodnosky

THROUGHOUT THE WORLD

PLEDGE of FREEDOM

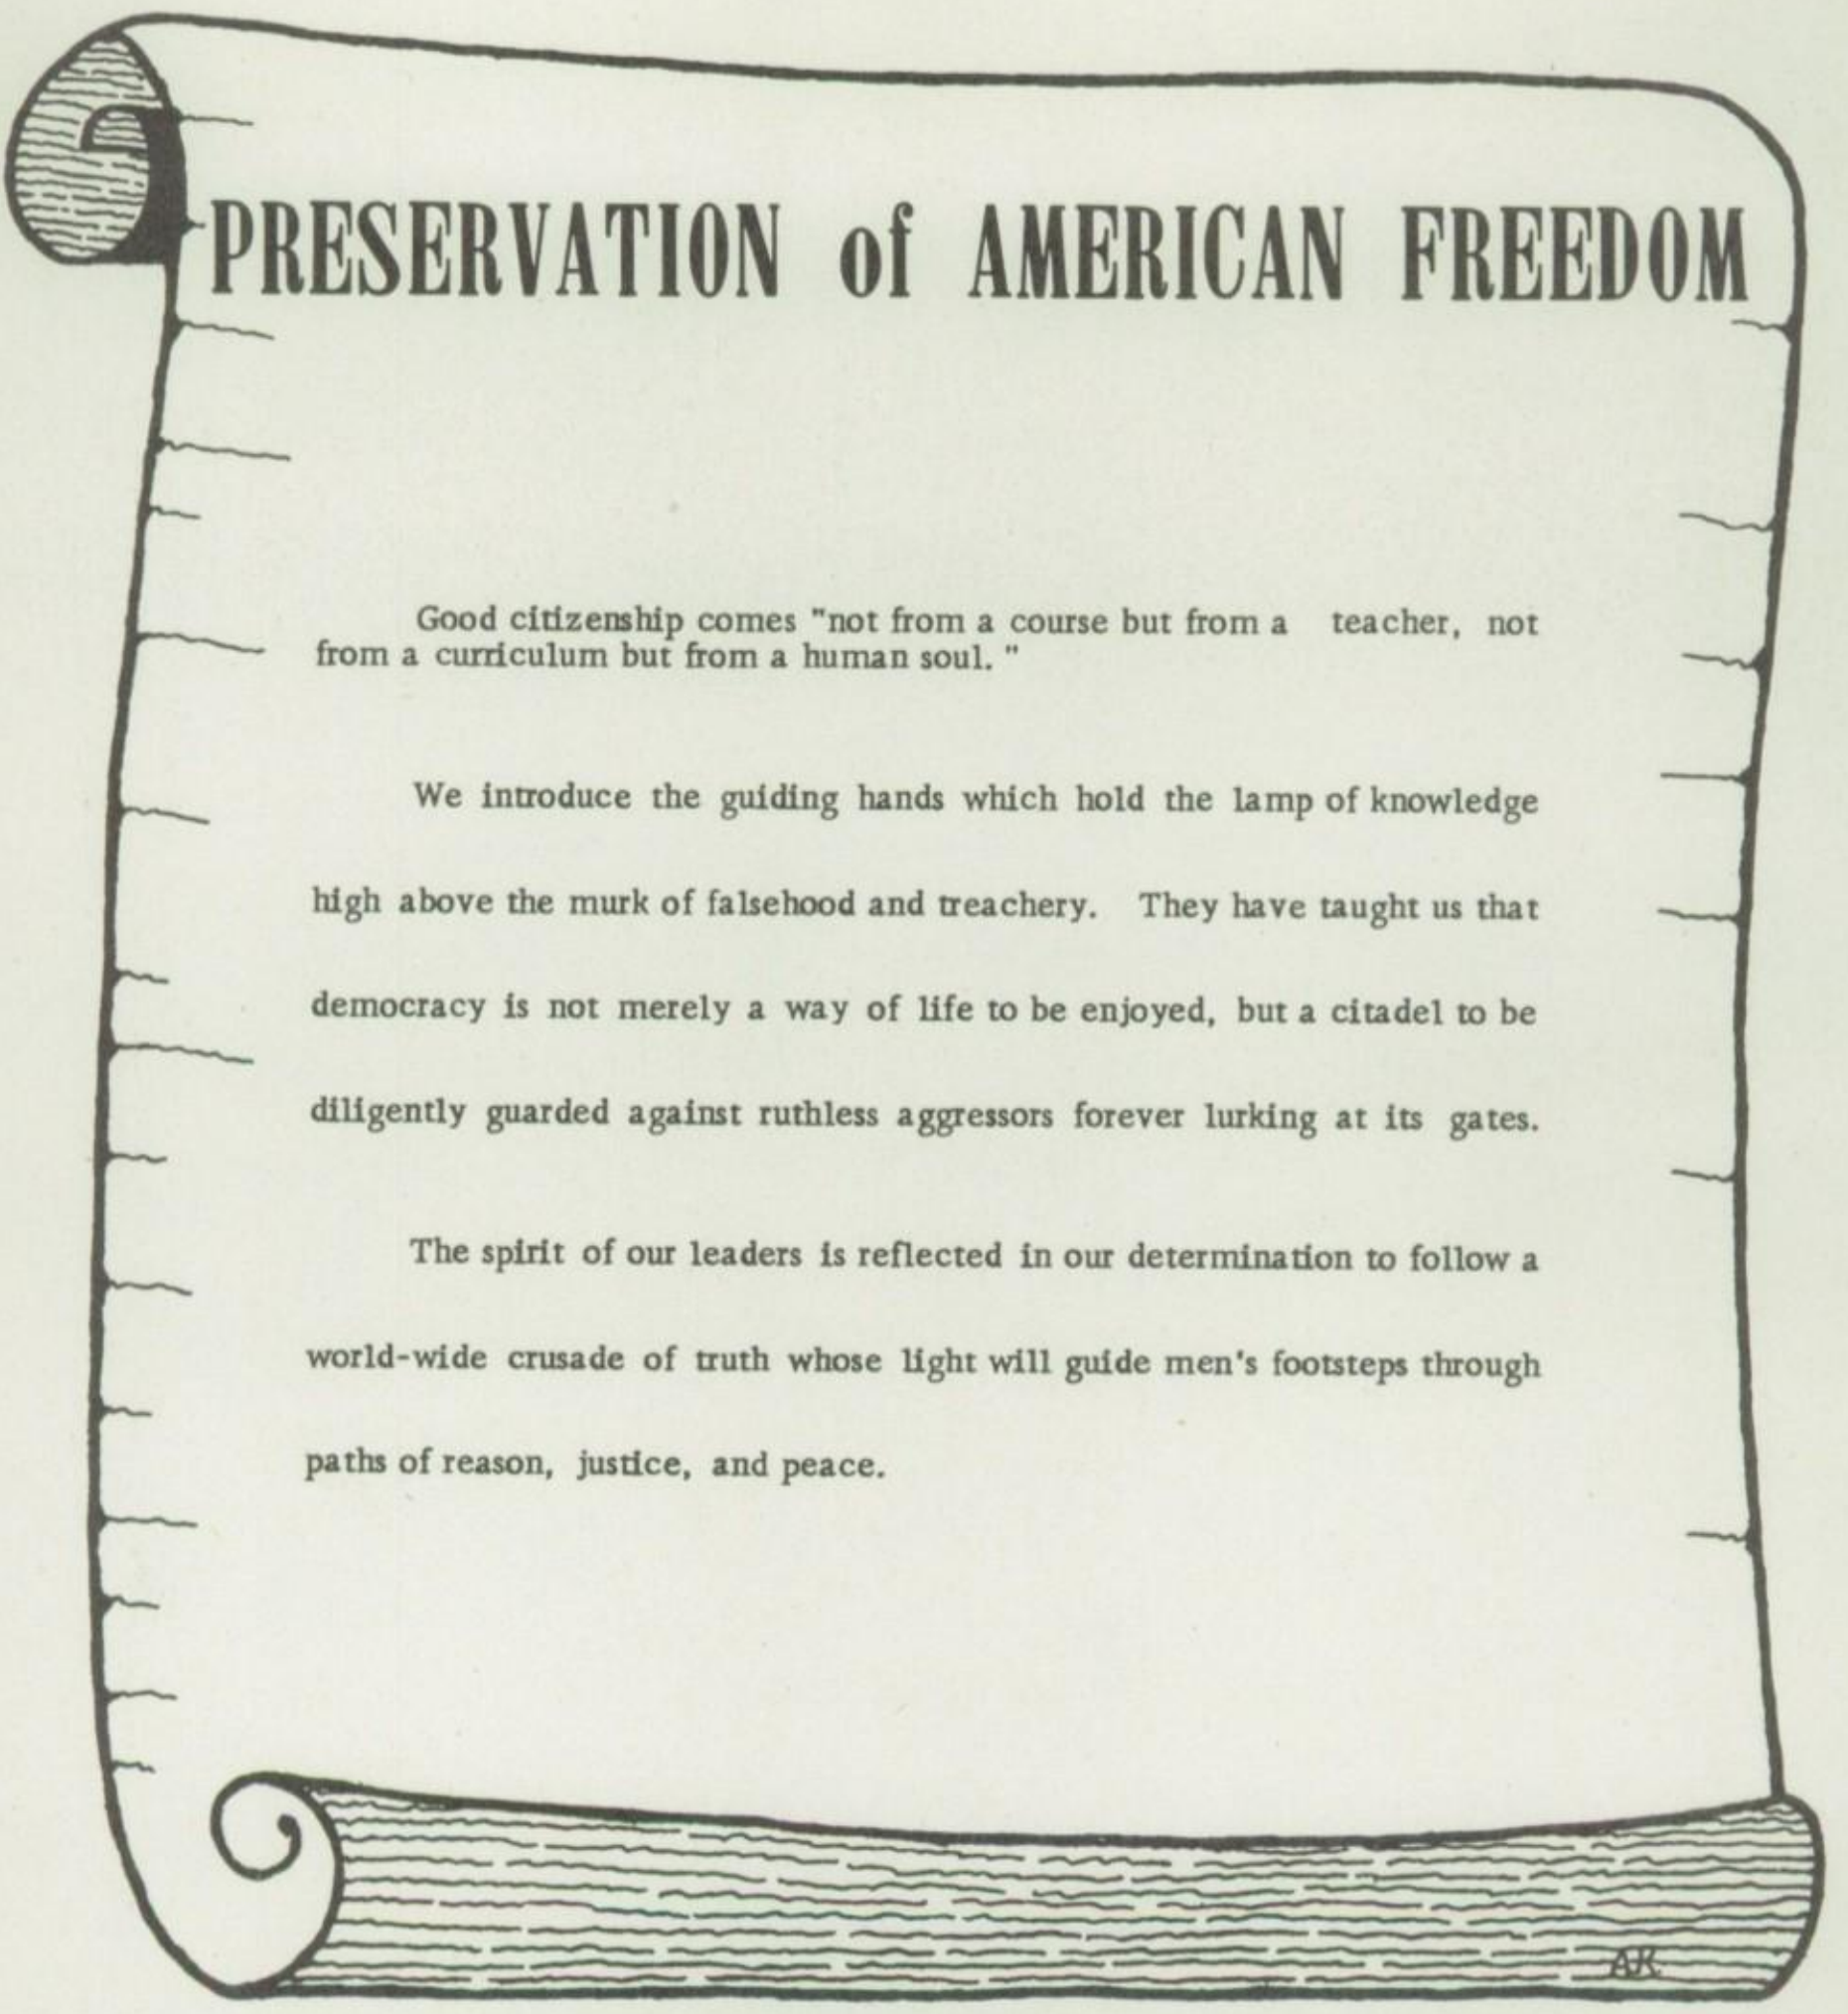

We, the members of the Class of nineteen hundred and fifty-two, hereby pledge to join our voices in the world-wide spread of truth. We believe in personal liberty as a God-given right for all men everywhere. As Americans, we recognize the responsibility of preserving our rightful heritage; spreading doctrines of human rights and economic freedom; revealing the many advantages of free communication; and helping attain an understanding among all people that will lead the world to peace and FREEDOM.

THE CLASS OF 1952

of the

J. W. COOPER HIGH SCHOOL

Shenandoah, Pennsylvania

PRESERVATION of AMERICAN FREEDOM

Good citizenship comes "not from a course but from a teacher, not from a curriculum but from a human soul."

We introduce the guiding hands which hold the lamp of knowledge high above the murk of falsehood and treachery. They have taught us that democracy is not merely a way of life to be enjoyed, but a citadel to be diligently guarded against ruthless aggressors forever lurking at its gates.

The spirit of our leaders is reflected in our determination to follow a world-wide crusade of truth whose light will guide men's footsteps through paths of reason, justice, and peace.

PRESERVATION

DR. ROLAND MOYER
President

We proudly present the body that zealously pilots our school system. Continually striving for the highest standards of scholarship, the Board is composed of citizens of the finest calibre--from all walks of life. Through their sound judgment and resourcefulness they have set goals worthy of the efforts of every student.

MESSAGE to the CLASS of 1952

It is a pleasure to contribute to this volume of "The Torch." Although this marks the end of your public school career, it represents only the beginning of an adventure in learning that will continue for a lifetime.

It was Petronius who said, "Education is a treasure and culture never dies." Keep this thought alive as you pursue your chosen theme "Crusade for Freedom" and a bright rewarding future, one that will always be best experienced in a free and liberty-loving America, will certainly be your heritage.

MESSAGE to the CLASS of 1952

The strongest human friendships are, for the most part, formed during high school days.

It is in these formative years that permanent behavior patterns are set for the remainder of life.

I consider each member of the Class of 1952 a special friend and it is a pleasure to feel that a mutual bond of friendship is established.

Your school aims to strengthen your appreciation of these bonds of friendship between teachers and students. As the years go by, honor these ties in word and deed. Be faithful to the teachings and traditions of J. W. Cooper High School.

May success and good fortune always be your lot in life.

MRS. SABINA A. FARLEY

Just as our book was being sent to the printers, the news of Mrs. Sabina A. Farley's resignation and retirement was announced. Even though we have little space and less time at our disposal, we want to send with her our best wishes.

Having been graduated from East Stroudsburg State Teachers College, Mrs. Farley taught in the elementary and high school of the district. She now plans to live in Hazleton. It is our hope that she will enjoy many years of happiness.

MISS AGNES G. CAMPBELL

After completing 36 years of service, Miss Agnes Campbell will retire from the Shenandoah Public School System in June, 1952. Since 1934, she has been a member of the Commercial Department of the J. W. Cooper High School. Keenly interested in civic as well as educational activities, Miss Campbell served as director of the Chamber of Progress at the time of its organization.

A rebel against complacency and sleek contentment, the earnest prayer of this "Happy Warrior" must always have been "ever insurgent let me be, make me more daring than devout." Through her daring selfless devotion, she rescued the Teachers' Association from imminent oblivion and developed during her six years as president an organization which won the respect, admiration, and support of civic, labor, and service groups within the community.

Through the potent force of her leadership, the teachers' status improved financially, professionally, and socially; and the Local branch was readily recognized as a dynamic member of the P. S. E. A. Like the pioneer educator Horace Mann, she not only believed but proved, "We can make these times better if we bestir ourselves."

In Memoriam

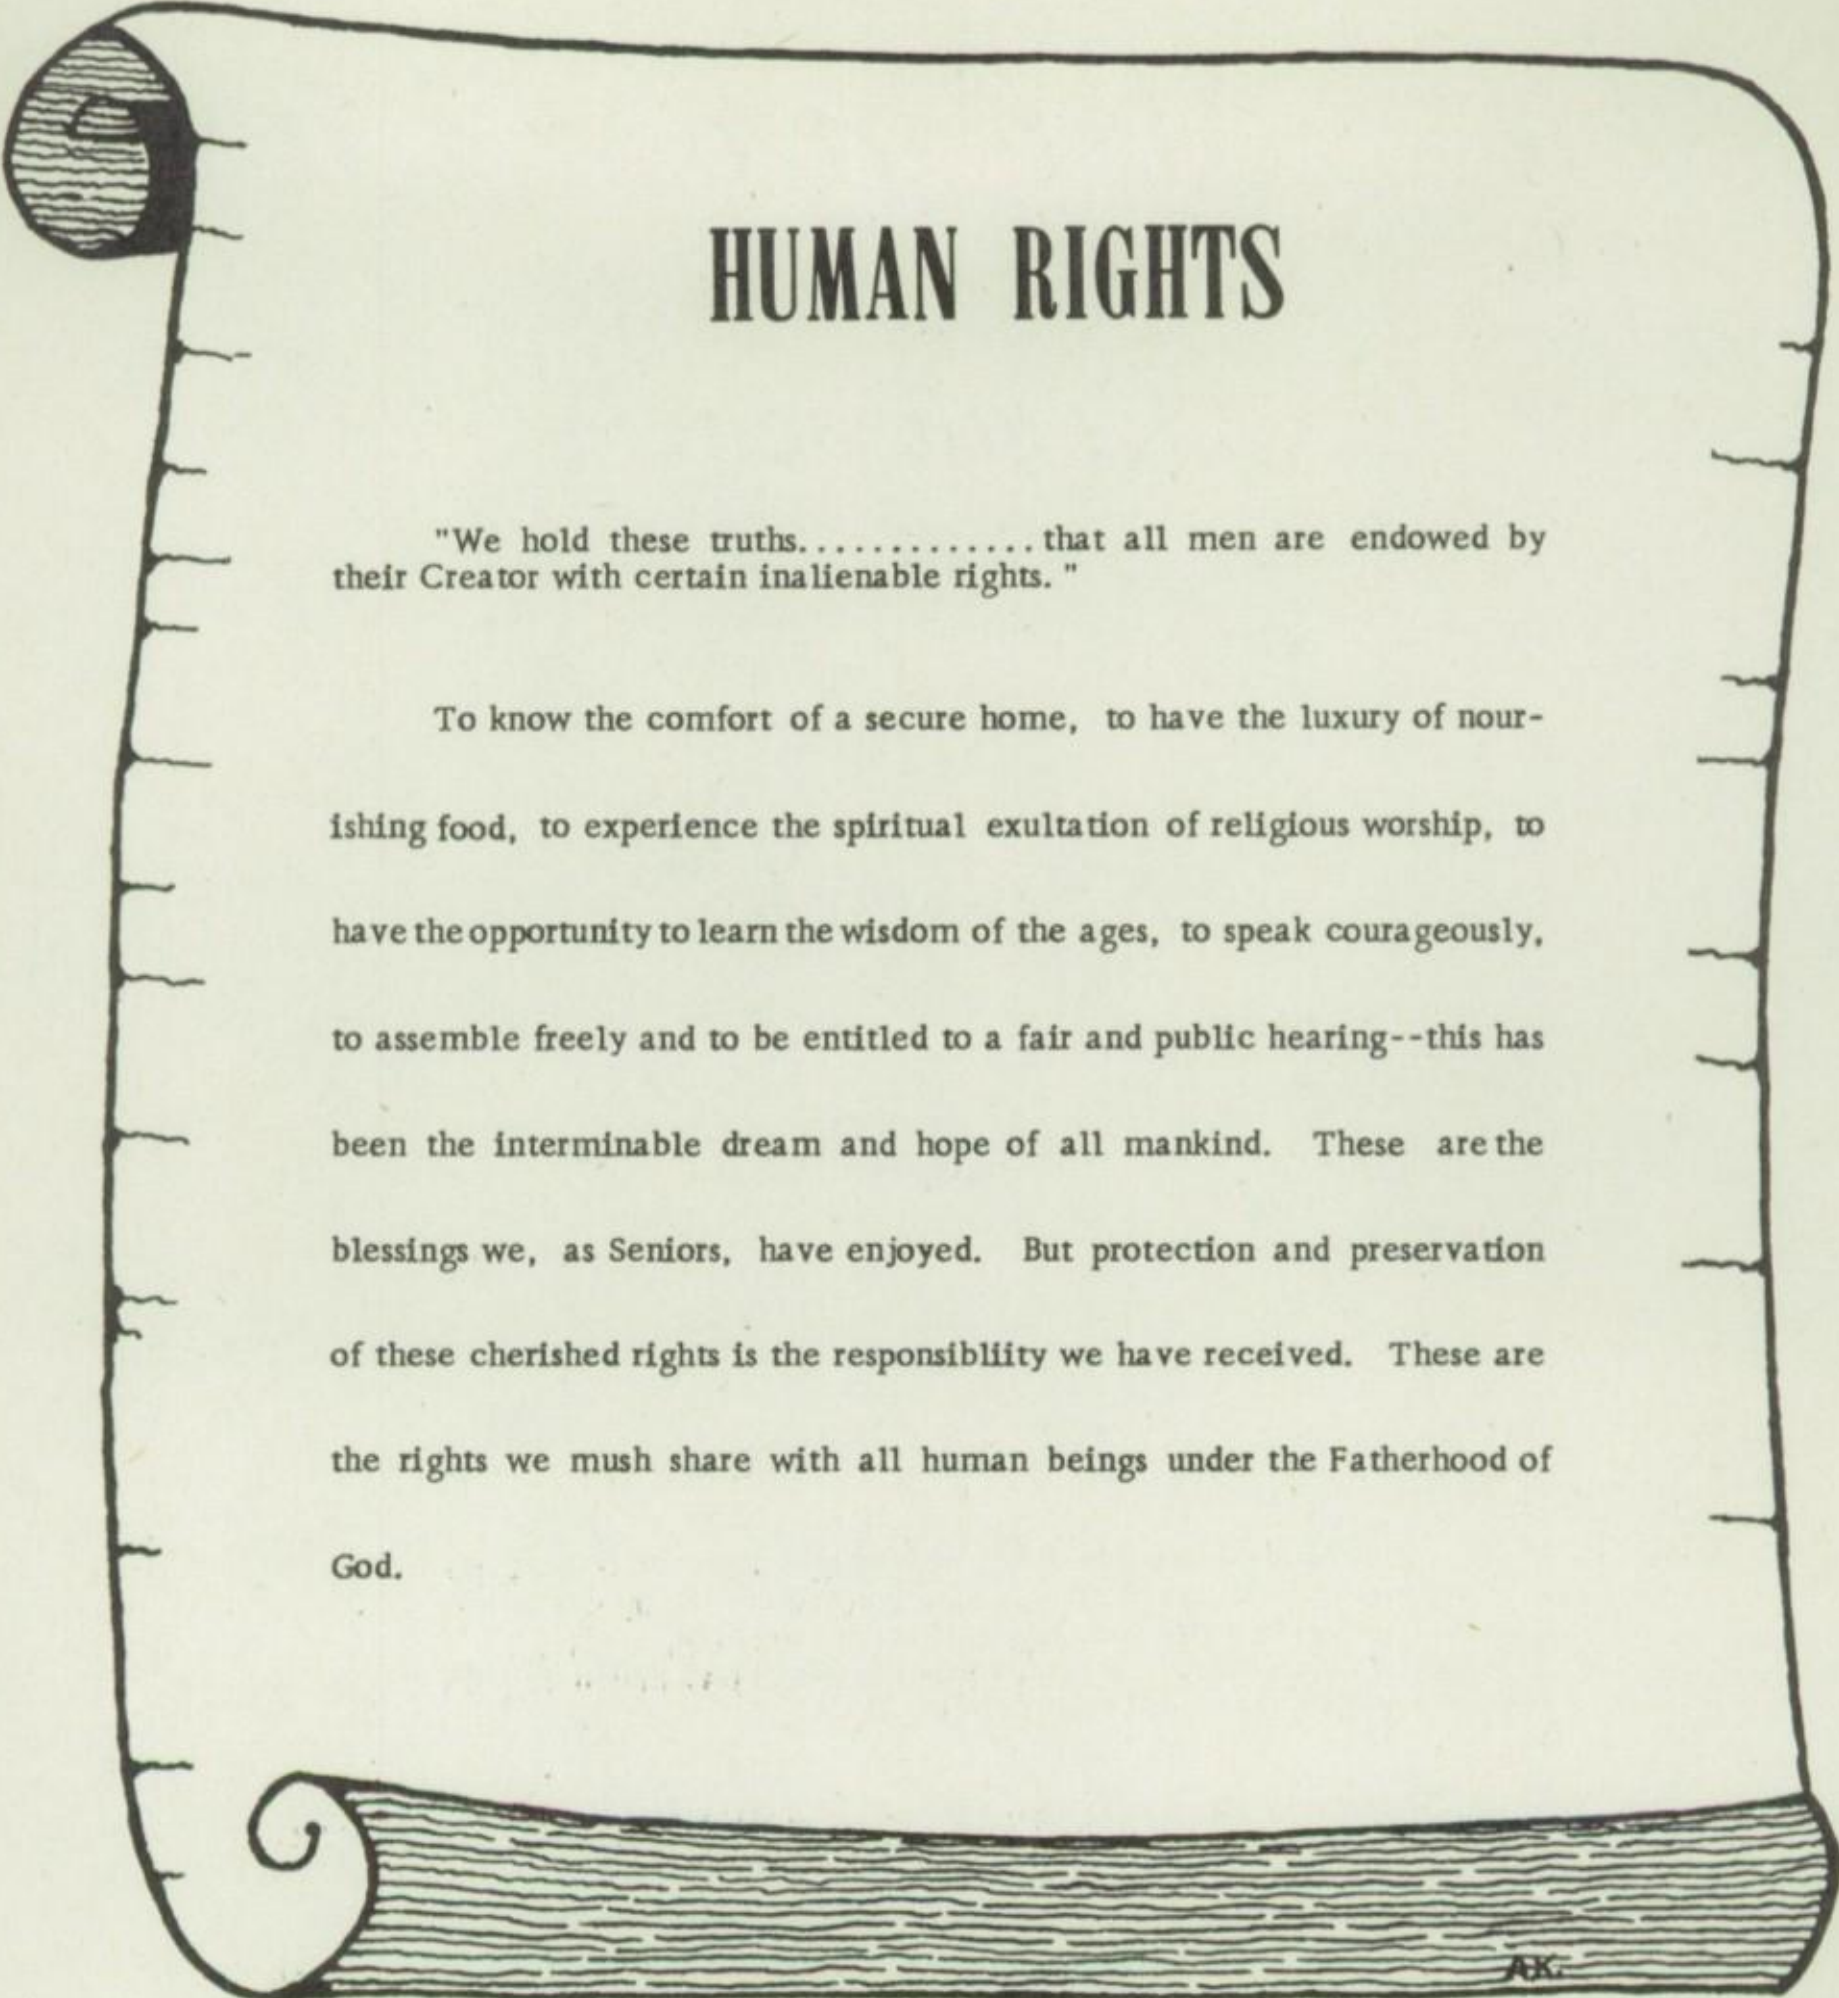

MISS BESSIE B. BORAN

"I have lived my life, and what I have done May He
within Himself make pure. But thou, If thou shouldst
never see my face again, Pray for my soul.
For so the whole round earth is every way Bound by gold
chains around the feet of God."

King Arthur's farewell message might appropriately be our colleague's
final word to us before her death on January 28, 1952.

For forty years, she devoted her life to the pupils of the Shenandoah
Public Schools. After her graduation from West Chester State Teachers College,
she taught in the elementary schools of the district. In 1928 she was appointed
to the Commercial Department of the J. W. Cooper High School after having
served as Principal of the Lehigh Street Building.

Possessing a genial and gracious personality, she was loved and respected
by the students and faculty members. She will long be remembered for her Irish
sense of humor, her willing cooperation, her splendid discipline, and her staunch
defense of what she believed was right.

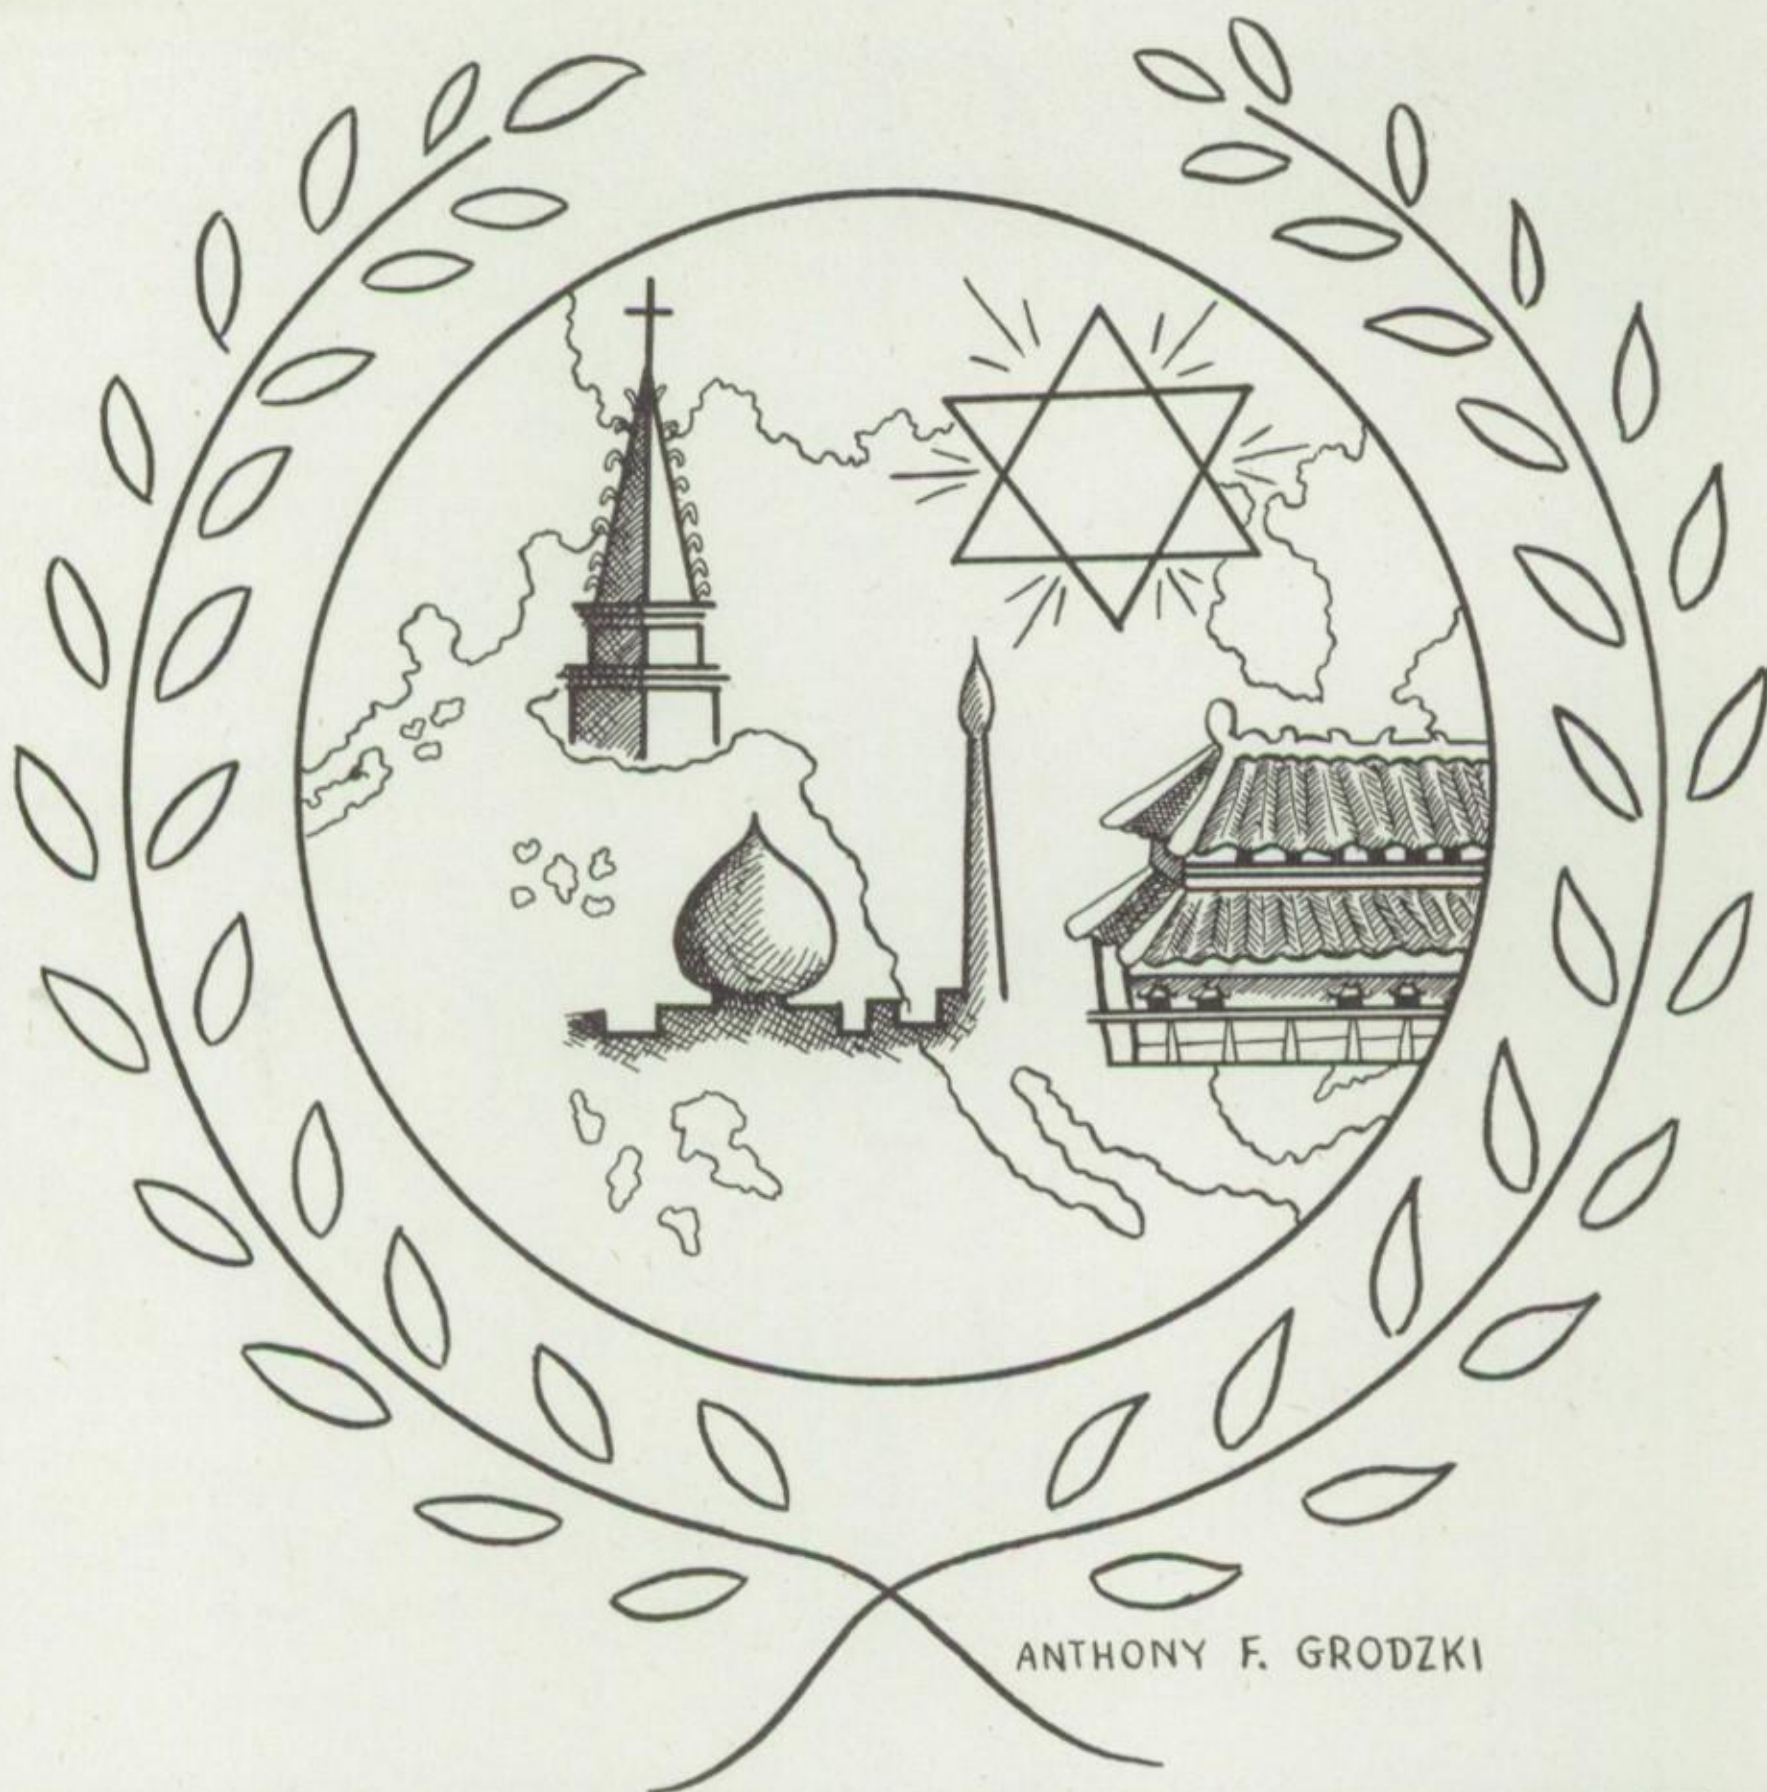

HUMAN RIGHTS

"We hold these truths.....that all men are endowed by their Creator with certain inalienable rights. "

To know the comfort of a secure home, to have the luxury of nourishing food, to experience the spiritual exultation of religious worship, to have the opportunity to learn the wisdom of the ages, to speak courageously, to assemble freely and to be entitled to a fair and public hearing--this has been the interminable dream and hope of all mankind. These are the blessings we, as Seniors, have enjoyed. But protection and preservation of these cherished rights is the responsibility we have received. These are the rights we must share with all human beings under the Fatherhood of God.

DORTHY NORRIS

On September 16, 1951, Dorothy Norris was stricken with polio. September 28, her seventeenth birthday, she spent in the Allentown State Hospital. On September 29, our beloved classmate died.

Quite studious, pleasant, and unassuming, Dorothy was repeatedly elected to a home room office during her sophomore, junior, and senior years. Because of her intense enthusiasm for gym and swimming, she was a leader in the sport activities of her class. Constantly maintaining her rank as an honor student, she eagerly participated in school assemblies.

Dorothy's genial companionship will be among the most cherished of our school day memories. We know that she who had planned to become "An Angel of Mercy: will live forever as an "Angel in White."

FREEDOM of COMMUNICATION

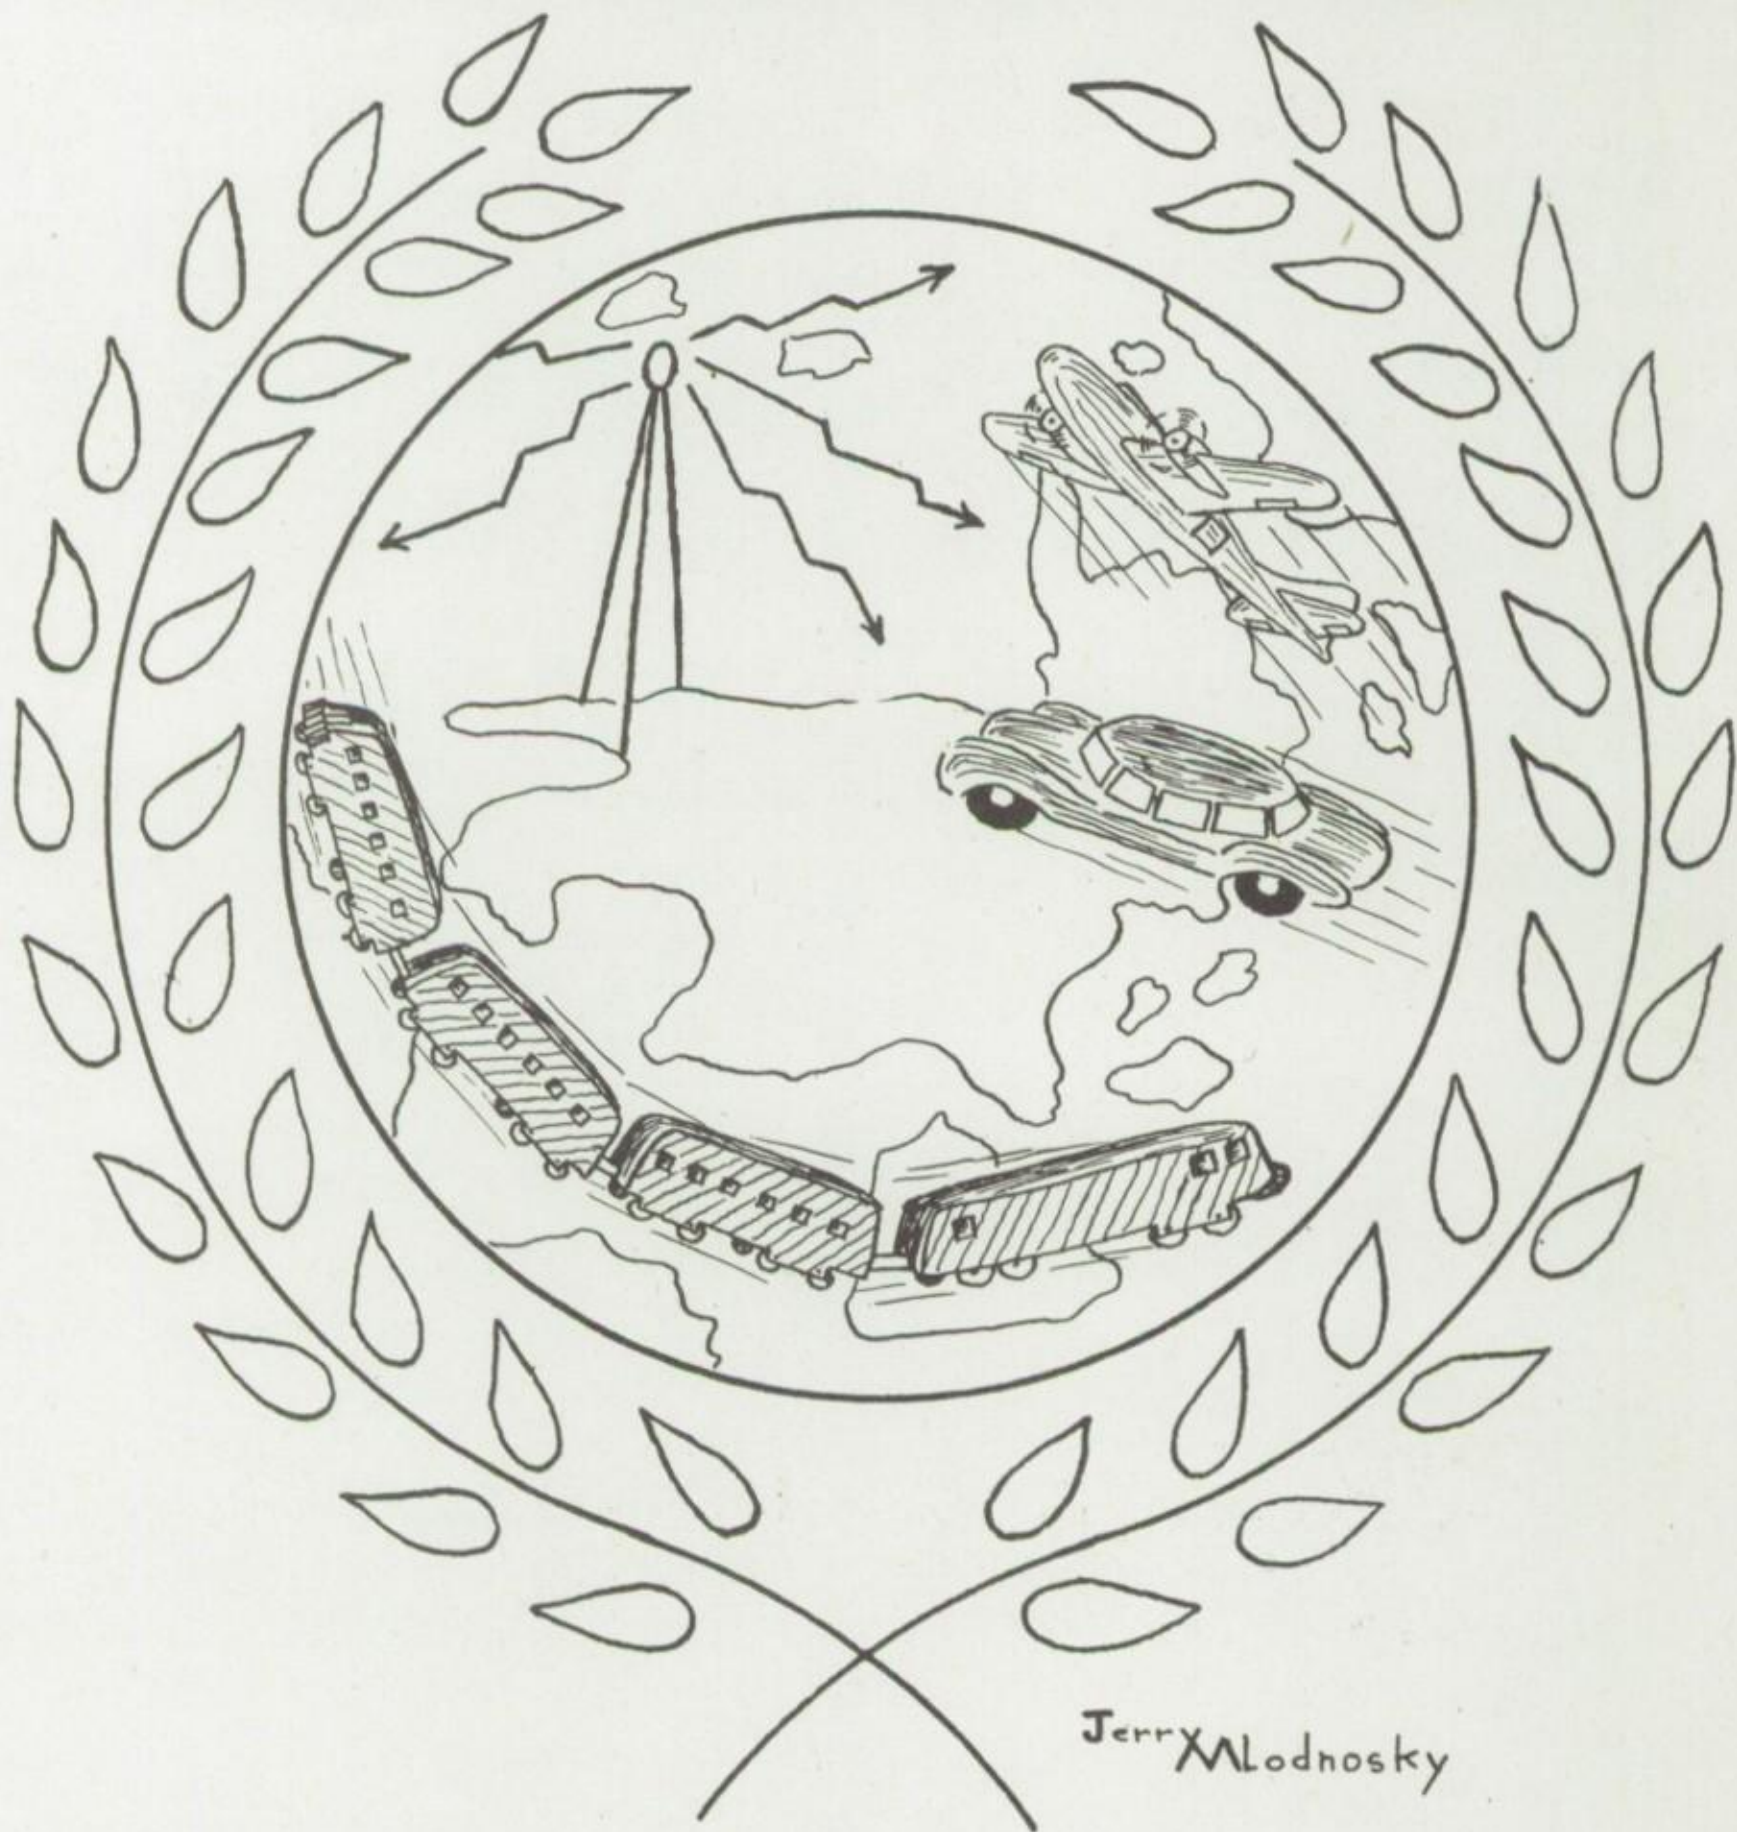

"You shall know the truth, and the truth shall make you free."

For Americans, this is a fortunate generation. We have within our grasp limitless opportunities which lie in freedom of communication. Evidence of this truth is observed daily as people board trains, fly planes, drive cars, sail ships, read, write, broadcast, and televise. In contrast to our expansive horizon of knowledge is the dearth of information available to people in hostile areas, barricaded selections, and barred zones with no chance of refuting error. Yet from the heroic stories of escaped refugees, we learn anew that "truth crushed to the earth shall rise again." And hope like truth has risen in us; hope--that in the near future, the world shall know peace.

JUNIOR CLASS HISTORY

In the fall of 1949 we entered the halls of J. W. Cooper High. With eagerness and determination, we set out to make our high school days the happiest and fullest years of our lives.

We, as Juniors, are proud of our success, especially in extra-curricular activities. In football, basketball, and baseball the Junior Class has contributed many outstanding athletes.

The Juniors also play an important part in the field of Music--members of the band from our class are numerous. A most remarkable musician is Ed Magness, an up-and-coming song writer, who has already had one of his compositions published.

Our array of talent also included artist Anthony Grodzki, whose work has won the admiration of everyone. Because of his remarkable ability Anthony has been chosen as a member of the Torch Staff. We are exceedingly proud of our classmate and predict a great future for him.

As our school career progresses, we hope we shall always continue contributing our talents and ideas to promote the welfare of good old Cooper High.

SOPHOMORE CLASS HISTORY

We, as freshmen, upon entering the halls of J. W. Cooper High School were uncertain of our future; but gradually we became accustomed to the new teachers and buildings. We liked our freshman year so much that we waited with eager anticipation for the new semester as sophomores, and to look upon the freshman as a "frosh"

As sophomores our class had more than its share of talented classmates. Two girls qualified as majorettes, Jeanette Hendricks and Thelma Moses.

The year of 1952 will always be remembered because the student council was organized during this time. In addition to this we received a new football coach, Ed Farrell, and a new guidance program with our own Jo Gastin as the guidance counselor.

There are many sophomores who excel in the field of sports. Among these are Buddy Bachike and Bob Kozak, football, Mal Hopkins and Joseph Rabada, basketball.

We are looking forward to two more wonderful years at our Alma Mater until graduation, knowing we are already to face the world and contribute what we can to society.

FREEDOM THROUGH UNDERSTANDING

"Humanity can be welded together only by love, by sympathy, by justice."

All organizations, great and small, assume an important role in the fight for freedom. Through association, people of different creeds, races, and tongues attain mutual understanding which results in unbiased friendship-- a factor necessary for world freedom. Our community comprises people of many races and faiths; whose fellowship brings into existence understanding that overrules prejudice. In school, at work, at play, co-operative effort strengthens our understanding and our friendship. Unity of purpose and knowledge of each other pave the way for the attainment of world freedoms.

COACH FARRELL

Making his debut this year as head football coach of the Blue Devils was Ed "Scrapper" Farrell. Although he had little material to work with, he created quite a stir among football minded people.

Being an ex-Muhlenberg-ian with "Little all-American" honors and a former Brooklyn Dodger and Pitt Steeler fullback account for his having a consistently good single wing offense.

FOOTBALL REVIEW

AS IT NOW SEEMS

This season was not as distasteful as many people think.....we did win our first game. Oh, but the "elements" were against us! We played some games in fair weather and others in foul (Foul not Fowl). Speaking of fowl (Fowl not Foul--"for the birds," i. e. so to speak, as it were weather) we emerged besmirched with mud and grime at Coal Township. In other words, in retrospect, to quote the Bard, --"We should a stood in bed. "

But considering the fact that we lost 16 (Men), 11 starters via graduation, Ed "Scrapper" Farrell did a great job. For the first time in years, there was a tremendous amount of spirit on the club; and although we worked under handicaps, there was good football played. As evidence of this, we made 15 first downs against Kulpmont and 13 against Tamaqua. As a matter of cold fact, we could truly claim 10 first downs per game-- a sufficient number for a winning season-- a sufficient amount of evidence to satiate and satisfy the critical comments, of the "psuedo-omniscient" --and a sufficient indication of future success.

BASKETBALL SUMMARY

The Shenandoah High hoopsters inaugurated their 1951-52 basketball campaign the night of December 4, 1951 opposite a strong Kulpmont aggregation on the local hardwood. Lacking the stature of previous years, the Blue Devil sharpshooters combined speed and agility with aggressiveness and determination as they romped to a convincing 68-48 victory. In their next two encounters, the boys were defeated by Mt. Carmel and West Mahanoy Township by narrow margins. The Shens again succumbed before administering a 58 to 43 lacing to Gilberton. Against Frackville the team showed tremendous spirit and drive as they overpowered their rivals 71 to 61. Ashland and St. Clair dominated the following engagements and were victorious by scores of 56 to 48 and 72 to 41 respectively. Mahanoy Twp. fell before the Blue Devils in a loosely played tilt but Butler Township retaliated with a stunning victory. The Blue Devils concluded their first half pennant drive with a thrilling 56-55 conquest of Girardville.

The Quigleymen mauled West Mahanoy Township after they had been handed a surprising loss by Kulpmont. Mahanoy City and Gilberton both defeated the Shens in return encounters in two hotly contested and exciting games. Frackville fell victim to the Blue Devils, the score reading 76-60.

With six games remaining the boys are confident they can play deliberate and consistent basketball and capture a top spot in the North Schuylkill League.

Although lacking the luster of polished performers, the Junior Varsity Squad has come a long way during the 1951-52 season. They have competed against far more experienced quintets, and in most cases, have given a fine account of themselves. With six games remaining to be played they have compiled a commendable record of eight wins and seven losses. Although there are a few juniors on the team, the squad consists mainly of sophomores and freshmen. In a few years, having acquired the confidence and "savoy" which comes with experience, these lads should reach future stardom in rugged varsity competition.

CHAMPIONS in the MAKING

That title in four words is the story of the 1952 edition of the Shenandoah High School Baseball Squad under the direction of Coach Edmond Slezosky.

The 1951 season proved to be a very hectic race. After the smoke had cleared, the Blue Devils were found sitting in third place in the North Schuylkill League.

The Blue Devils were the leading contenders in the race until the very end of the season when St. Clair knocked the Shens' hopes right out the window with a 3-2 decision. The Blue Devils finished the season with a very enviable record of 14 wins and 5 losses.

The 1952 team will be built around eight returning veterans-Jack Wrubleski, Bob Kendricks, Bill Nork, Joe Sakolosky, Len Odeitus, Ed Shustack, Mike Kravitz, and Joe Katolick.

It is interesting to note while under the tutelage of Coach Slezosky, the Blue Devils never finished lower than fourth place in the North Schuylkill League.

ATHLETIC COUNCIL

SEATED Left to Right: A. F. Paulonis, Dr. R. C. Moyer, Supt, C. J. Stauffer, A. B. Oravitz and Dr. Wm. T. Leach.

Our administration has always manifested great concern in students and their affairs. This interest, coupled with an enthusiasm for athletics, has resulted in the formation of an athletic council, devoted to the promotion of sport activities and a closer-working agreement between coaches, administrators and the school board.

After the school board approved the plan, Supt. Charles Stauffer, was elected chairman of the newly-formed council and Attorney M. A. Ozehoski was named secretary. Included in the group are administrative members, coaches and sport-loving citizens.

At its monthly meetings, the council either approves, disapproves, or recommends athletic policies to the school board. In its six months of existence, it has instituted a Junior Varsity and Junior High football team; the group encouraged the varsity football teams trip to the Penn-Princeton game and it has improved the Athletic Program in general.

This is the initial year for a Student Council program in J. W. Cooper High School (a much needed and much wanted program.) The Council has gotten off to a splendid start. At present a handbook is being compiled under the supervision of the Council advisers, Miss Eleanor Dunzilla and Mr. John McGuire. Since the Council members from grades 7 - 12 have undertaken their monitorial responsibilities, peace and quiet has fallen upon the halls of Ole Cooper High!

TEEN-AGE CENTER

"That dream has finally become a reality. "

Through the interest of civic-minded leaders, Shenandoah Youth has finally gotten their own teen-age center. The center will provide a place where youth can enjoy good clean wholesome fun.

What was once an old school building has been renovated into a teenager's paradise, complete with a recreation hall, lounge room, game room, hobby shop and snack bar. Much of the repair work was done by the teenagers themselves.

In this, its first year of existence, it can already boast of a successful teen-age dance. May its future be one of happiness, diversion and enjoyment for the Youth of Shenandoah.

SEVEN STAGES IN THE PRODUCTION OF THE 1952 TORCH

ORGANIZATION--- 'Twas an eager, optimistic group that met with their yearbook advisers to begin to work on that long-awaited yearbook. After having chosen an appropriate theme we began immediately to do our seemingly easy assignments. But then...

PROCRASTINATION--- Wait a minute!! Looks like there's more entailed here than meets the eye. Oh, well, we have time.....

MYSTIFICATION--- Let's read that instruction book again.....

CONSULTATION--- So that's how it's done!

PERSPIRATION--- Is there an aspirin in the house?

DAMNATION!!!--- It's impossible!!!

EXULTATION--- The crisis is surmounted! Our past anxieties seem insignificant. With incredulous but joyful eyes we watch the completed mats go off to press. Gratefully, we express our heartfelt thanks to our advisers who, with their patience and untiring efforts, guided our faltering steps toward the goal we had set out to reach--the production of a yearbook we can be proud of.

ECONOMIC FREEDOM

"No man may outrage with impunity that human dignity which God Himself treats with reverence."

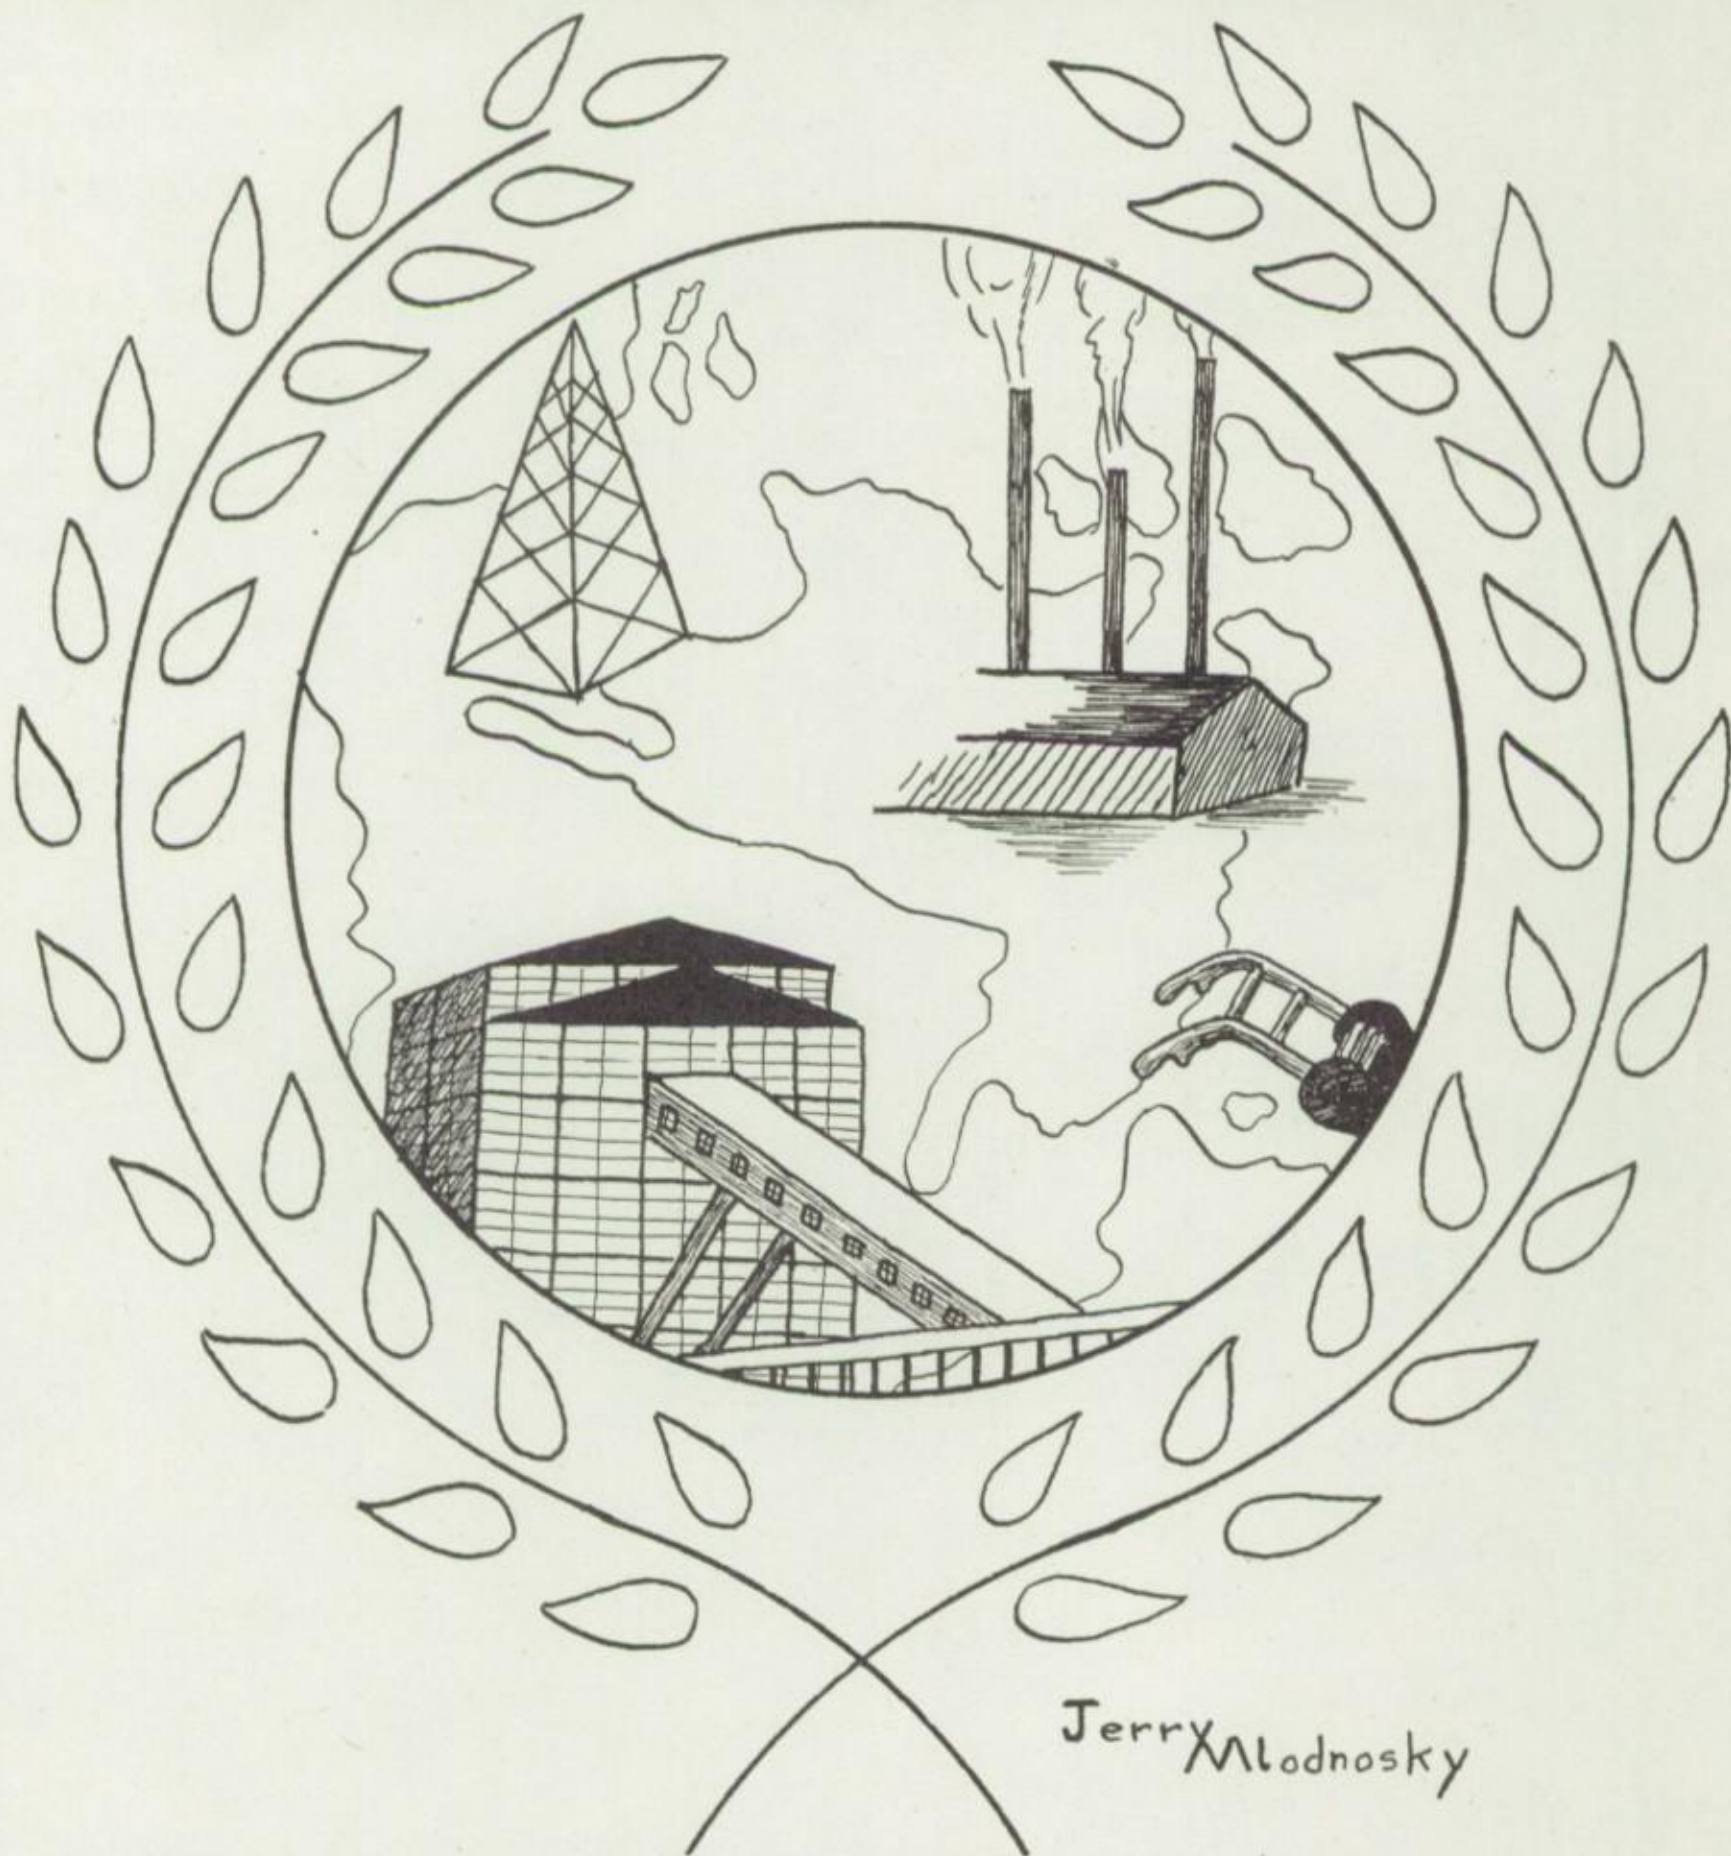

Economic freedom, based upon mutual respect for the dignity of man, has brought necessities, comforts, and many luxuries within the grasp of all Americans. In this country, an enlightened, co-operative and vigilant public can easily deter any abuse of this freedom.

Here in our own mining community, we have had a splendid demonstration of economic enterprise--the building of the Purolator Plant with the half-million dollars pledged by citizens dedicated to a brighter tomorrow. Then, with us, may the entire world enjoy the grandeur of economic freedom.
